

## Notes

I first started working with WyCCP when I met Rich at Wealston Prison in 2012. I was doing ~~my~~ my first ever jail sentence for Theft from Shop which I was doing to fund my drug habit. ~~After~~ Upon release I contacted Rich and we started leasing a couple of times a week. I was homeless. I felt there was no light at the end of the tunnel as I was again slipping back into petty crime and addiction at a fast pace, but Rich helped me secure sheltered accommodation and got me into multiple choice to address my offending and drug use. Due to this I am now going to a detox on the 13/06/13 and rehab straight afterwards. Life is slowly getting better and I owe this all to the WyCCP program. I would have been lost without them.
